

Francesca Character Barks

In Bakery:

"Hey! Careful near the counter, I've got dough proofing everywhere today."
"Who moved my tray– nevermind, found it!"
"Almost burned that one...almost."
"No panic! We got this! ...Okay, maybe a little panic."
"How does the flour get *everywhere*?"
"I JUST swept."
"Nonna would yell if she saw this mess."
"Let's make something good today."
"Alright, let's move."
"Just a little longer..."
"Nonna always said mess means work."
"That smell's a good sign."
"They'll remember this bread."

Customer Interaction:

"You look like you need this."
"Sit, I'll bring it over."
"Tell your family I said hi."
"We've got enough for everyone!"
"You come back anytime, alright?"
"Careful, it's still hot."
"Nobody leaves hungry, alright?"
"You hungry? Yeah? Sit down, I'll bring something out."

Talking to dough/golems:

"Atta girl."
"There you are."
"C'mon, big guy, wake up."
"Easy now, I got you."
"Alright, let's give you some form."
"You're doing perfect."
"We finish this together."

In Arena:

"C'mon, big guy. Stay with me."
"You don't get to walk in here and disrespect my people."
"That all you got?"
"You hit hard. Good"
"Careful. That one bites."
"Alright. Let's dance."

"The crowd's loud tonight."
"Don't leave 'em hanging!"
"We got people counting on us!"
"If I win this, breakfast is on me."
"You're gonna have to hit harder than that!"
"Too slow!"
"Not bad! Not good enough...but not bad!"
"You ever get nervous? No? Cool, me neither."
"This is WAY better than doing inventory."

Mid-Combat:

"Yes! Again!"
"Now we're cookin'!"
"Stay on 'em!"
"That's our opening!"
"Okay, THAT looked cool!"
"I absolutely meant to do that."
"This is somehow less stressful than the lunch rush."
"Together now!"
"Gotcha!"

Taking damage:

"Still standing!"
"Tch- okay!"
"That one hurt."
"Not done yet!"

Defensive Moments:

"Keep your footing!"
"Not yet!"
"Hold together!"
"C'mon, don't crack now!"

Low Health:

"Stay with me..."
"Don't fall apart on me now..."
"Okay...okay...focus."
"Get back up!"
"One clean hit. That's all we need."

Winning:

"That's how we do it!"
"Good fight."

"Still got flour on my apron too."

"Beautiful work!"

"You hear this crowd?!"

Losing:

"Not our night."

"C'mon. Back to the kitchen."

"That's on me."

"Shake it off."

"You still did good."
